

SABAH SOFTWOODS BERHAD

(Co. No. 016887-D)

ZERO BURNING POLICY

Sabah Softwoods Berhad (SSB) is firmly committed to sustainable development through protecting the environment with the following principles:

- Complying with all applicable Legal and Statutory and regulatory requirements,
- Committed to No-Burn practice, an environmentally sound approach as it does not cause air pollution. Thus, reduces greenhouse gas (GHG) emission, particularly CO₂,
- Adopt mechanical methods during land clearing whereby wood debris is left to decompose thus releasing nutrients slowly,
- Conduct awareness programme to our stakeholders to ensure complying with zero burning policy.
