

## **TAWAU HOSPITAL RECEIVES TOILETRIES, OTHER ITEMS**

Sabah Softwoods Berhad (SSB) has continued its effort to help ease the burden of frontliners by handing over donations in the form of bathing necessities. such as shampoo, bath soap, talcum powder, baby wet tissue, baby shampoo, disposable diapers for adults and children to the unit nurse.

The donation was handed to the Covid/Person Under Investigation/ Person Under Surveillance/ Paediatrician unit nurse SR. Fadzlinahwati Kahar Tawau hospital recently.

Corporate Communication Manager, Sahrudin Paidi as the representative of SSB said this caring assistance is a sign of a company's appreciation for the dedicated frontline staff to ensure efforts to break the Covid-19 chain given the increasing number of Covid-19 infections in Tawau at this time.

The company's Corporate Social Responsibility (CSR) activities are expected to help frontline staff curb the spread of Covid-19 by contributing towards bathing needs which will help ease their burden at Tawau Hospital.
